Presented by

BSM '08 incorporating Ausclean is the only dedicated trade show in Australia for the building maintenance, property services, facility management and cleaning industries.

This three-day event encompasses management and maintenance for a complete range of facilities, from industrial and commercial, to retail and hospitality.

If you're in the cleaning or building maintenance industries, don't miss this unique opportunity to view and compare the latest products, services and technologies to improve the running, maintenance and facilitation of your buildings.

Why visit...

Talk to the experts

Meet and network with over 120 leading suppliers and view live daily demonstrations conducted by industry experts using the latest in cutting edge technology.

New products and services

BSM '08 incorporating Ausclean is the place to see the latest product launches and innovative services and technologies for the cleaning and facilitation of buildings.

Education – Free Seminars

An informative seminar series will be held over the three days of the exhibition. Be inspired by the industry's hot topics presented by key members from the cleaning, building services and carpet and upholstery cleaning and restoration sectors.

Innovation and ideas

Keep up to date with all that's new in the cleaning and facility management industries and explore new ideas and opportunities to drive your business forward.
